Particle Physics at LPTHE

Mercredi 1 Avril 2015, 14 :30
LPTHE, Library (T13-14, 4th floor)(Note : unusual day)
Domaines : hep-ph

Titre : *The numerical approach to precision calculations*

Orateur : **Stefan Weinzierl (Mainz University)**

Résumé : *I will present a purely numerical approach to NLO calculations. This approach is particularly suited for multi-parton final states. The technique and some applications for pp colliders and e^+e^- colliders are discussed.*
